Legumes may credit towards the vegetable component or the meat alternate component, but not a both in the same meal. The school menu planner will decide how to incorporate legumes into the school meal. However, a manufacturer should provide documentation to show how legumes contribute towards the vegetable component and the meat alternate component. See chart on the following page for conversion factors</p> <p>The PFS for meat/meat alternate may be used to document how legumes contribute towards the meat alternate component.</p>	Total Cups Beans/Peas (Legumes)

	Total Cups Red/Orange	1/8 cup
	Total Cups Starchy	
	Total Cups Other
