2024 - 2025

WHOLE GRAIN GOODNESS..... FROM OUR KITCHEN TO YOURS.

It goes without saying that baked goods should taste good. And we think that they should also make you feel good. That's why we became an all-natural ingredient manufacturer so when you enjoy our baked goods, you feel good afterwards. Whether it is a special treat like a whole grain brookie or a hot & savory empanada at lunchtime, you will taste the goodness in every bite.

OUR CERTIFICATIONS ARE AS REAL AS THEY CAN GET!

We take great pride in creating healthier products for students across the nation and understand we have a great responsibility in doing so. That's why our Azusa facility is **peanut and tree nut free facility**. We are also a certified **Safe Quality Food (SQF)** facility with highly rated annual audit scores. You can trust us to deliver consistent, globally recognized food safety protocols in everything we do.

As an approved **national commodity processor**, we are pleased to utilize **Processor Link** for all our commodity tracking needs. We are excited to launch the new forecast tool in Processor Link for up to date committed volumes for SY 24-25. www.processorlink.com

Manufacture Date (MD) = Julian date code:

Buena Vista Foods uses a Julian date to show the date the product was manufactured. Each case has an outer case label with product code, name of product, ingredients, allergen, pack/size, and Julian date information.

Example: MD/064/24 means items were produced on the 64th day of year 2024 or March 4, 2024.

The outer case also has a packing date and time stamp in standard format (MM/DD/YYYY) to show the exact date and time the product was packaged.
