Putting Good in Means Getting Good Out

Sodium Shakedown

To help you balance the sodium usage across your menus, we've shaken out the sodium in some of our most popular products like Cheddar Cheese Sauce, Mac & Cheese, Taco Filling and Chili.

Did you know?

Since 2010, J.T.M. has removed over 6 million pounds of salt from its K-12 products.

Allergens & Food Sensitivities

J.T.M. has a wide variety of products to help you meet the demands of students and staff with special dietary needs.

Did you know?

J.T.M. offers over 35 allergen free products and over 90 that are gluten free.

Trimming the Fat

Our proprietary drain and rinse process allows us to offer reduced fat options for many products.

Did you know?

All J.T.M. K-12 products have zero grams trans fat or zero added trans fat (naturally occurring).

Plant-Based Products

From our vegan Three Bean Chili to our NEW PlantBorn™ Taco Filling and Pasta Sauce, our products make it simple to serve up flavor-filled, student-favorites like nachos and pasta bowls.

Did you know?

Our NEW PlantBorn™ Taco Filling and Pasta Sauce are made with Deeply Rooted® Farms, clean-label pea protein. These products are vegan, allergen free, and gluten free.

Whole Grain Goodness

Incorporating more whole grains into your menus is simple with J.T.M.'s line of whole grain rich pasta entrées, mac & cheese, and breaded proteins.

Did you know?

J.T.M. uses over 5.5 million pounds of whole grain rich pasta a year in our K-12 products vs. 1.5 million pounds of non-whole grain rich pasta.

Super Ingredients for Super Foods

Cheese

The difference is real cheese. Cheese is the first ingredient in all of our Premium cheese sauces and pasta entrées. Packed with protein, they are great for meatless meals!

Did you know?

Compared to our leading competitor J.T.M.'s line of cheese products provide...

Better Value: Our cheese sauces are approximately 30-35% less expensive due to the smaller portion size needed to get a M/MA credit.

Easier to menu: J.T.M.'s cheese sauces are CN labeled and easy to portion. Each 4 oz serving of our Premium Cheese Sauces provides 2 M/MA.

Fresh Frozen = Longer Shelf Life + Increased Quality: J.T.M. shelf life (frozen) is 2 years vs. 90 days for shelf-stable product. Our sauces and pasta entrées are flash frozen to lock in freshness and flavor.

Better Quality & Nutrition: J.T.M. cheese sauces contain approximately 25-50% less sodium than the leading competitor (depending on the specific sauce flavor and type). Cheese is the first ingredient listed and our products carry cleaner labels.

Tomatoes

Every year, J.T.M. uses over 5.8 million pounds of tomato paste and diced tomatoes that are grown on farms in California.

Some of our top tomato using products...

5703 Marinara Sauce
270 medium tomatoes per case
3.5 med. tomatoes per serving

5578 Zesty Beef Spaghetti Sauce
193 medium tomatoes per case
2.27 med. tomatoes per serving

5113 Creamy Tomato Soup
180 medium tomatoes per case
2.25 med. tomatoes per serving

Committed to Cleaner Labels

From the removal of sesame and gluten from our Asian Sauces, to using natural ingredients like cocoa powder in place of common additives, J.T.M. is committed to providing cleaner label solutions to schools.

Clean Label

100% of our products are free from artificial flavors, MSG, and trans fats.

Cocoa Powder

Cocoa Powder is being used in some of our sauces to add color in place of caramel coloring.
